The difference is clear to see

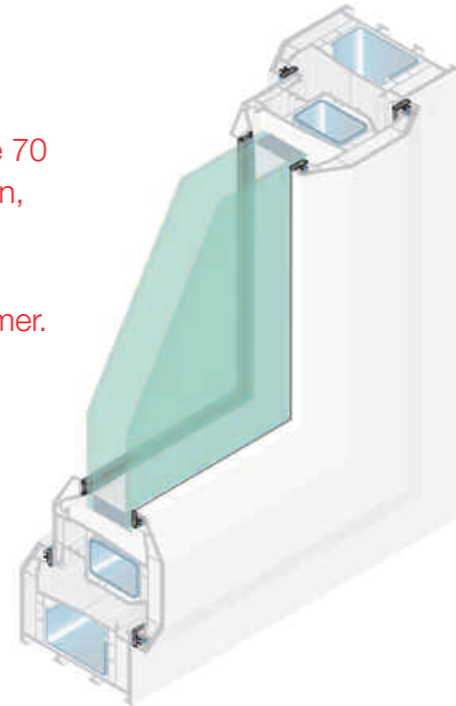

ELITE 70

The Elite 70 is Spectus' flagship product. Following extensive research in technology, legislation and thermal efficiency, the Elite 70 is a complete suite of component parts, which enables the design, manufacture and installation of a full range of window and door components all from the same system, providing simplicity of installation for you and unrivalled style and choice for your customer.

The Elite 70 system allows the design and installation of a complete window, door and conservatory providing continuity in fit and finish across the range.

- Casement Windows
- Tilt & Turn Windows
- Range of doors; French, Sliding Patio and Bi-folding
- Full range of accessories and ancillary parts
- A wide range of colour and woodgrain foil finishes available

Features at a glance

- Choice of finish from either Chamfered or Ovolo design profiles. Designed to provide customers with additional choice and a reduced installation time whilst achieving consistency in quality finish
- Multi Chambered profile provides increased thermal efficiency
- PCE means no gasket insertion is required, which provides improved weathering protection and neater corner joints
- Single leg knock in beads are easier to glaze and speeds up the installation process
- Beads available in 24mm - 36mm glazing options provides additional options against thermal and sound insulation
- Flush glazing improves WER and adds to the aesthetic finish
- Square door and Tilt & Turn outer edge provide an easier hardware location
- The Elite 70 shares common details with Spectus' Patio Doors and Reversible 70 resulting in compatibility across all product ranges
- Unlimited hardware choice and vast range of ancillary products means a solution for most onsite issues
- Complete with a full range of extras such as Georgian Bars and Decorative Horns

10 YEAR GUARANTEE

All Spectus products come with a 10 year guarantee
